ADDITIONAL TIPS

Clean everything

Cleanliness signals to a Buyer that the home has been well cared for and is most likely in good repair. A messy home will cause Buyers to notice every flaw.

Unclutter your home

The less "stuff" in and around a home, the roomier it will seem.

Let the light in

Open the blinds. Put brighter bulbs in all the lamps. Bright, open rooms feel larger and more inviting.

Let some fresh air in

If the weather is nice, open the windows. Fresh flowers and potpourri can also be used to your advantage.

Send the kids to Grandma's

Or take them on a walk around the block. Active children can be distracting to someone viewing a home.

Paint

There's nothing that improves the value of a home more than a few cans of paint. And it's so often easier to paint a room than it is to scrub it. Stick with neutral colors.

Keep the noise down

Turn off TV and turn on soft instrumental background music.

We make things simple.
